

Ilya Menshikov

Gentle I.

About

- Intro** Hey there! My name is Ilya Menshikov, I'm developer and researcher.
For the last 6 years I have been working as web developer on Ruby. The largest project I worked at was PULSCEN.RU.
Recently, I have been also doing research in the field of computational linguistics. The topics of my research were sentiment analysis and approaches to automated thesauri construction.
- Goals** To grow up to top developer
- Hobby** I love music, programming, science and coffee. I'm playing in the board games and doing magic.
